CALDER STEWART LADBROOKS KERMESSE

Saturday 19 October 2019

CYCLE SURGERY ST MARTINS HELL OF THE SOUTH

Sunday 20 October 2019

Welcome to the 2019 Cycle Surgery St Martins Hell of the South and Ladbrooks Kermesse weekend.

These are the last two rounds of the 2019 season. Judging by the respective series tables the points up for grabs this weekend will be hotly contested.

The short but hard Ladbrooks kermesse has several bonus points up each lap along with a full compliment of series points at the end of the race. The riders fighting it out for SBS most combative rider will be in the thick of the action grabbing as many points as they can.

The infamous Hell of the South will once again be a brutal affair. Riders who put the mileage in the legs over winter will likely see the benefits on the last crucial laps. The Hell of the South is the blue ribbon event of

the series and each winner has had to work extremely hard for the victory.

Cycle Surgery St Martins are the sponsor of the round and our thanks must go to them for continuing to sponsor this round each year.

Also a huge thanks to Calder Stewart Industries for not only supporting this event this year but for their support of cycling around the South Island.

The Leeston Cycling Club and the Canterbury Track committee, parents and family members are the ones doing the hard work on corners and driving cars. Please make sure you give them a wave and say thank you!

Race hard and race fair.

Richard and Jake.
